

## **SICK CHILDREN**

Although there are facilities to cater for children who become sick while at school, we are not equipped or qualified to deal with children who should be kept at home.

All parents are asked to arrange emergency care for your sick child. Make sure your address, telephone number and your choice of doctor is registered at the school. This information is most necessary in case of accident and emergencies.

Forms requesting up to date information will be forwarded to you early each year. Please fill in every detail, including emergency contacts and send them back to school promptly. If any of the recorded information changes, please remember to inform the school office as soon as possible.
